CORPORATE GOVERNANCE STATEMENT

The Directors of Duxton Broadacre Farms Ltd (the Company) are committed to achieving and demonstrating the highest standards of corporate governance. The Board regularly reviews the corporate governance framework and practices of the Company to ensure they deliver best practice outcomes to employees, consultants, contractors, shareholders and all other stakeholders involved or benefitting from the operations of the Company.

A description of the Company's main corporate governance practices is set out below. All these practices, unless otherwise stated, were in place from since incorporation and remain in place.

On 27 March 2014, the ASX Corporate Governance Council released the 3rd Edition of its Corporate Governance Principles and Recommendations (3rd Edition Recommendations). The Company reviewed its corporate governance and reporting practices under these principles and the disclosures in this Corporate Governance Statement reflect this. As at the date of this statement, the Company complies with the 3rd Edition Recommendations (unless otherwise stated).

Principle 1: Lay solid foundations for management and oversight

The relationship between the Board and senior management is critical to the Company's long-term success. The Directors are responsible to the shareholders for the performance of the Company in both the short and the longer term and seek to balance objectives in the best interests of the Company as a whole. Their focus is to enhance the interests of shareholders and other key stakeholders and to ensure the Company is properly managed.

The responsibilities of the Board include:

- providing strategic guidance to the Company including contributing to the development of and approving the corporate strategy;
- reviewing and approving business plans, the annual budget and financial plans including available resources and major capital expenditure initiatives;
- overseeing and monitoring the organisational performance and the achievement of the Company's strategic goals and objectives;
- monitoring financial performance including approval of the annual and half-year financial reports and liaison with the Company's auditors;
- appointment and performance assessment of the Investment Manager (IM);

- ensuring there are effective management processes in place and approving major corporate initiatives;
- enhancing and protecting the reputation of the organisation;
- overseeing the operation of the Company's system for compliance and risk management reporting to shareholders; and
- ensuring appropriate resources are available to senior management.

The roles and responsibilities of the Board are set out within the Board Charter. The Board Charter also sets out those matters that are expressly reserved to the board and those delegated to management.

Day to day management of the Company's affairs and the implementation of the corporate strategy and policy initiatives are formally delegated by the Board to the Investment Manager. This delegation is reviewed in accordance with the Investment Management Agreement. The Board Charter is available online at: www.duxtonbroadacre.com

The Board is presently responsible for evaluating Board candidates and recommending individuals for appointment to the Board. The Board evaluates prospective candidates against a range of criteria including the skills, experience, expertise and diversity. It also considers the strengths and weaknesses of the Board composition at time and how potential candidates will enhance Board effectiveness. The Board undertakes appropriate background and screening checks prior to nominating a director for election by shareholders, and provides to shareholders all material information in its possession concerning the director standing for election or re-election in the explanatory notes accompanying the notice of meeting.

A written agreement is executed with each director setting out the terms of their appointment, including the basis upon which they will be indemnified. The letter of appointment clearly defines the role of directors, including the expectations in terms of independence, participation, and time commitment. The letter of appointment also makes it clear that directors are required to disclose circumstances that may affect, or be perceived to affect, their ability to exercise independent judgement so that the Board can assess independence on a regular basis.

A written agreement will be executed with the Investment Manager detailing the terms of appointment, including roles and responsibilities, key performance indicators and remuneration.

A written agreement is executed with each senior executive detailing the terms of their appointment, including roles and responsibilities, key performance indicators and remuneration.

The Company Secretary is accountable directly to the Board, through the Chairman, on all matters to do with the proper functioning of the Board. The Company Secretary is responsible for maintaining the information systems and processes that are appropriate for the Board to fulfil its role and to achieve the objective of the Company. The Company Secretary is also responsible for ensuring that the Board procedures are complied with and advising the Board on governance matters. All directors and Committees of the Company have access to the Company Secretary for advice and services. Independent advisory services are retained by the Company Secretary at the request of the Board or Committees.

The Company does not have diversity policy, which documents the principles and commitment in relation to maintaining a diverse group of employees within the Company. There are currently no women on the board or in senior positions (being Key Management Personal and decision makers of the Company). The Company has not disclosed in this Corporate Governance Statement its measureable objectives for achieving gender diversity and therefore has not complied with recommendation 1.5(a) of the Corporate Governance Principles and Recommendations. Due to the current size of the Company the Board does not consider it appropriate, at this time, to formally set measurable objectives for gender diversity.

The Board will at least annually evaluate its performance and the performance of its committees and individual directors to determine whether or not it is functioning effectively by reference to the current best practices. The Board continually evaluates the composition of the Board, however a formal evaluation of its performance and the performance of its committees and individual directors is yet to be conducted.

Due to the size of the Company, the Board has determined that this is appropriate at Company's stage to date, however it does recognise that ongoing performance evaluation is important to ensure that the Board, committees and individual director's remain relevant and committed to the Company's business operations and changing business requirements. At the date of this report, the Company has therefore not complied with recommendation 1.6(b) of the Corporate Governance Principles and Recommendations.

The Company has reviewed the performance of the Investment Manager in line with the Investment Management Agreement.

The performance of the Investment Manager is reviewed by comparing performance against agreed measures, examining the effectiveness and results of its contribution and identifying areas of potential improvements.

Principle 2: Structure the board to add value

Nomination and Remuneration Committee (the Committee)

The Committee consists of the following directors:

The main functions of the Committee are to assist the Board with a view to establishing a Board of effective composition, size, diversity, expertise and commitment to adequately discharge its responsibilities and duties, and assist the Board with a view to discharging its responsibilities to Shareholders and other stakeholders to seek to ensure that the Company:

- has policies to evaluate the performance of the Board, individual Directors and executives on (at least) an annual basis

- has effective policies and procedures to attract, motivate and retain appropriately skilled and diverse persons to meet the Company's needs.

The Company's policies and practices regarding the remuneration of the Investment Manager, executive Directors and the non-executive Directors are set out in the Remuneration Report in the Company's Annual Report which is available on the Company's website.

The Board considers this to be an appropriate composition given the size and development of the Company at the present time and continually assesses the composition of the Board to ensure its membership maintains a combination of skills and experience that ensure the Board has the expertise to meet both its responsibilities to stakeholders and its strategic objectives.

The names of directors including details of their qualifications and experience are available on the Company's website: www.duxtonbroadacre.com.

Independence

The Board is conscious of the need for independence and ensures that where a conflict of interest may arise, the relevant Director(s) leave the meeting to ensure a full and frank discussion of the matter(s) under consideration by the rest of the Board. Those Directors who have interests in specific transactions or potential transactions do not receive Board papers related to those transactions or potential transactions, do not participate in any part of a Directors' meeting which considers those transactions or potential transactions, are not involved in the decision making process in respect of those transactions or potential transactions, and are asked not to discuss those transactions or potential transactions with other Directors.

Directors of the Company are considered to be independent when they are independent of management and free from any business or other relationship that could materially interfere

with, or could reasonably be perceived to materially interfere with, the exercise of their unfettered and independent judgement.

The Board has accepted the following definition of an independent Director:

“An independent director is a director who is not a member of management, is a Non-Executive Director and who:

- is not, or has not been, employed in an executive capacity by the Company and there has been a period of at least three years between ceasing such employment and serving on the Board;
- is not, or has not within the last three years been, a partner, director or senior employee of a provider of material professional services to the Company;
- is not, or has not within the last three years been, in a material business relationship (e.g. as a supplier or customer) with the Company, or an officer or, or otherwise associated with, someone with such a relationship;
- is not a substantial security holder of the entity or an officer of, or otherwise associated with, a substantial security holder of the entity;
- does not have a material contractual relationship with the Company other than as a director; or
- has not been a director of the entity for such a period that his or her independence may have been compromised.

In accordance with the definition above, Mark Harvey, and Wade Dabinett are considered independent.

The Board Charter requires that where practical the majority of the Board will be independent.

The Board has determined that two of the five Directors are independent as defined under Recommendation 2.4. The Company therefore has not complied with Recommendation 2.4 of the Corporate Governance Principles and Recommendations. Due to the size of the Company at this time, and the skill set required, the Board does not consider it appropriate to change its composition.

The Board Charter provides that where practical, the Chairman of the Board will be a non-executive, independent director.

The Company's Chairman, Mr Ed Peter is not an independent director, as he controls the Investment Manager, although he does not fulfil the role of CEO. The Company therefore has not complied with recommendation 2.5 of the Corporate Governance Principles and Recommendations. However the Board considers that, having regard to his wealth of experience and industry knowledge, Mr Peter is the most suitable person to occupy the position of Chairman of the Company.

The Board also considers, having regard to the relationship between the Company and the Investment Manager, it is in the best interests of the Company to be guided by the leadership of Mr Peter as this will enable the Company to effectively develop and implement its strategic objectives, particularly in the critical short to medium phase of the Company. The Board considers that the presence of Mr Peter on the Board will assist in facilitating these objectives. Mr Peter intends to pass the Chairman position on to Independent Director and Deputy Chairman Mark Harvey when initial development and implementation stage has passed.

The Company maintains a program for inducting new directors, for which the Company

Secretary is responsible for. The Company also ensures that appropriate professional development opportunities are provided to directors to ensure they develop and maintain the skills and knowledge needed to perform their role as directors effectively.

Principle 3: Act ethically and responsibly

The Company has developed a Code of conduct (the Code) which has been fully endorsed by the Board and applies to all directors and employees. The Code is regularly reviewed and updated as necessary to ensure it reflects the highest standards of behaviour and professionalism and the practices necessary to maintain confidence in the Company's integrity and to take into account legal obligations and reasonable expectations of the Company's stakeholders.

In summary, the Code requires that at all times all Company personnel act with the utmost integrity, objectivity and in compliance with the letter and the spirit of the law and company policies.

The Committee consists of the following directors:

Wade Dabinett (Committee Chairman)
Stephen Duerden

Messrs Dabinett, Duerden and Harvey are non-executive directors. However, Messrs Duerden and Hamilton are not independent. As such only half of the committee is independent and recommendation 4.1(a)(1) has not been complied with.

The chairman of the Committee is not the chairman of the Board; therefore the Company has complied with recommendation 4.1(a)(2) of the Corporate Governance Principles and Recommendations.

period, and declares that in their opinion, the financial records of the Company have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity.

External auditors

The Company, and the Committee Policy, is to appoint external auditors who clearly demonstrate quality and independence. The performance of the external auditor is reviewed annually and applications for tender of external audit services are requested as deemed appropriate, taking into consideration assessment of performance, existing value and tender costs. Deloitte Australia was appointed as the external auditor in 2017. It is Deloitte's Australia policy to rotate audit engagement partners on listed companies in accordance with the requirements of the Corporations Act 2001, which is generally after five years, subject to certain exceptions.

The amount of fees paid to the external auditors is provided in a note to the financial statements. It is the policy of the external auditors to provide an annual declaration of their independence to the Audit and Risk Management committee.

The external auditor will attend the Annual General Meeting and be available to answer shareholder questions about the conduct of the audit and the preparation and content of the audit report.
